Dr. E. Wallory,
34 Grosvenor Street,
Toronto.

Dear Dr. Wallory:

I must thank you very much for your generous offer of two hundred dollars towards the equipment of the two dentists who are to go with the University Hospital. I am sure that it is a very real way of helping, and the offer shows that your own inability to volunteer for active service is based on grounds that are thoroughly justifiable. One of the dentists has already been nominated by the Dental College, I believe, but the other has not yet been chosen.

With kind regards, I am,

Yours sincerely,

President.

Dear Dr. Wallory:

Many thanks for your cheque for \$200, which
is to be devoted to the equipment of the two dentists who are
going to the front with the University Hospital.

With kind regards, I am,

Yours sincerely,

President.

Dear Dr. Mallory:

I am sending your letter to Colonel Roberts, and I shall ask him to report to me in the matter of the appointment of another dentist in the new Hospital. Probably the staff is completed, and I know that at Ottawa he had great difficulties in securing even the number of men who are going, so it may be doubtful whether additions can now be made. However, I will try to talk the matter over with him as soon as possible.

With kind regards, I am,

Yours sincerely,

President.

Dr. Falconer,

University of Toronto.

Dear Dr. Falconer,

As you have probably heard, I have been appointed Captain under Capt. Geo. Gow and attached to the Base Hospital. I am to go forward to join the Hospital in a couple of weeks as soon as my transportation is arranged for in Ottawa.

I saw in the paper something about the staff of No. 4 General Hospital having their taxes rebated and I would like to have my name added to the list *if possible.*

I want to thank you for your consideration in this matter and also the kind consideration of Col. Roberts, whom I believe is quite pleased that I am going.

Yours very truly,

Geo. Mallory

Dr. Mallory, .

34 Grosvenor Street,

Toronto.

Dear Dr. Mallory:

I am glad to know that you have been appointed to the Hospital Staff and I am sure that the appointment is a good one from the Hospital point of view. We had not been informed that the staff of No.4 General Hospital had their taxes rebated, but I will send down your name to the Mayor, as being added to the list.

Yours sincerely,

President.
